

CMMC Launch Hub

Quick Start Guide v1.0

A 5–7 minute onboarding guide for pilot users

Version: v1.0

Audience: Pilot users, OrgAdmins, Contributors, Assessors, Viewers

Prepared by: Cyber Blue Star

Welcome to CMMC Launch Hub

CMMC Launch Hub helps organizations assess cybersecurity readiness, manage evidence, coordinate users, and generate pilot-ready reports. It does not certify compliance by itself.

Typical Workflow

Step 1: Log In

Use your assigned email and password. Use Forgot Password if needed. Contact OrgAdmin or pilot support if your account is inactive.

POA&M

POA&M management access depends on organization tier and pilot data.

A large rectangular area with a dashed border, serving as a placeholder for a screenshot. It contains the title 'POA&M Page', a descriptive sentence, and the text 'SCREENSHOT PLACEHOLDER' in blue.

POA&M Page

Screenshot placeholder — replace after pilot account setup. POA&M access depends on organization tier and available remediation data.
